LUXURY VINYL FLOORING

Paragon collection

A stunning balance between sophistication and bold new styles blending seamlessly to provide a chic and stylish palette.

Available in a myriad of hues and featuring ultrarealistic embossed finishes, Paragon luxury vinyl planks are not only aesthetically pleasing but able to withstand intense traffic with its 0.55mm wear layer and 4.5mm thickness. The perfect solution for both residential and commercial projects requiring a hard wearing floorcovering that also portrays the stunning beauty of real wood.
