INSTALLATION

Godfrey Hirst Luxury Vinyl Plank ranges feature a number of different construction options.

Suitable for both residential and commercial applications with a wear layer ranging from 0.3 to 0.55mm that protects your surface from everyday wear and tear.

Please see below for the installation systems available and discuss with your local retailer to select which suits your individual project.

Direct Stick

Direct stick allows for easy installation in all areas including bathrooms, laundries and kitchens. This luxury vinyl plank flooring can be glued directly to a variety of subfloors.

Express Lay®

Godfrey Hirst Express Lay® is a great option that is quick and easy to install, with no glue or click system required. Installation is as simple as butting the edges against each other. The weight and backing eliminates any movement in lower traffic applications.

Hybrid® WPC

Hybrid® WPC is lovely thick, king size board with an Insta Clic® locking system that provides a floating floor with strong secure joins and easy installation. They also feature a special cork backing for an even quieter, softer and warmer floor.

FEATURES

Godfrey Hirst Vinyl Floors are available in an unique range of profiles, surfaces and finishes. Look for these feature icons on product samples instore and online:

Feature		Benefit
	Micro Bevel Edges	Micro bevel edges create a small V-shaped edge between boards. This distinguishes each board for an authentic floorboard finish.
	Square Edges	Square edge boards sit level for a sleek and seamless floor.
	Matte Finish	Godfrey Hirst Vinyl Plank features a matte finish for a natural timber look.
	Embossed Finish	Embossed textured surface, which follows the grain to provide a dramatic level of realism.
	Wear Layer	Protects the surface of your vinyl plank flooring from everyday wear and tear in your home.
	Quiet Underfoot	Godfrey Hirst Luxury Vinyl Plank Flooring is quiet underfoot, reducing the noise of footsteps.
	Wet Areas	Add style to wet areas including kitchens bathrooms and laundries (subject to proper installation and maintenance).
